

KNOWLEDGE BASE

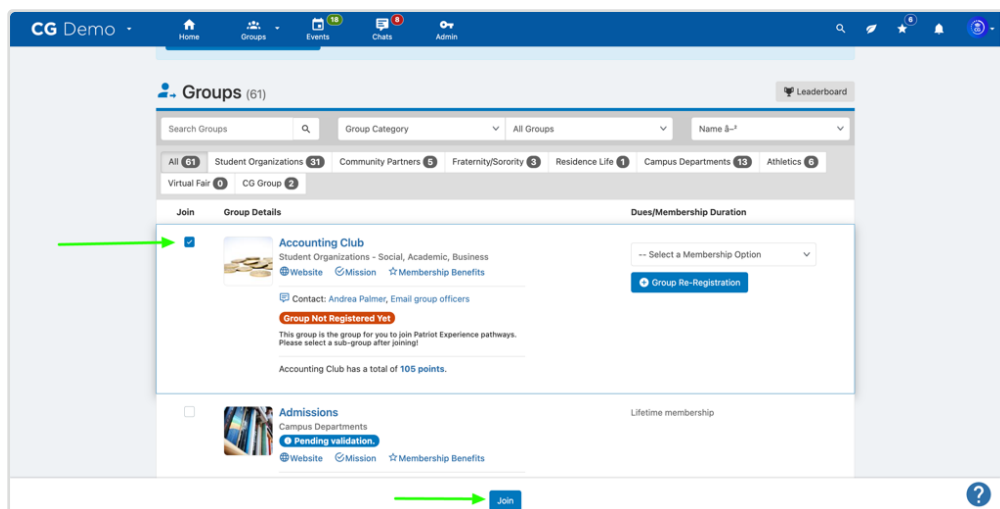

Joining a Group

Whether you are looking to join a club, organization, department or any other group, you can do so by following these steps:

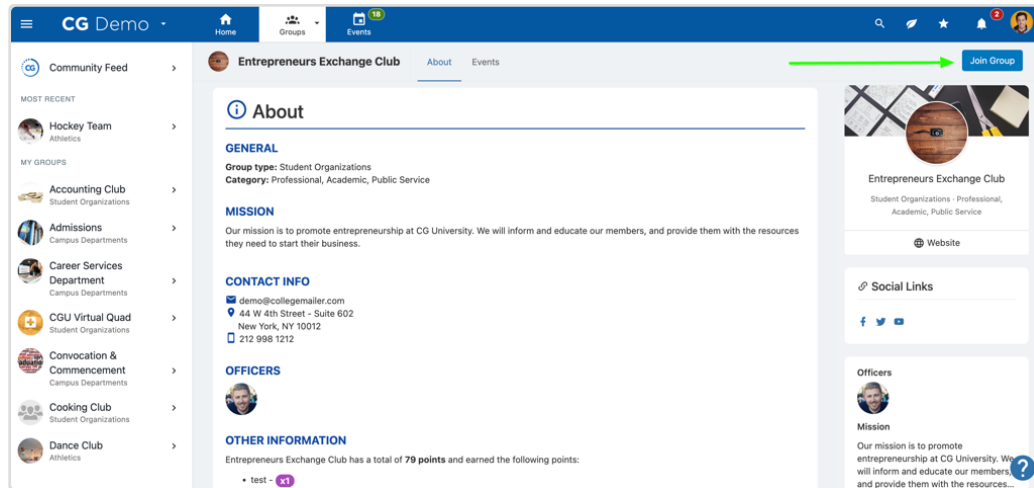

1. Click on the **Groups** dropdown
2. Select **All Groups**

3. Find the groups you would like to join and click on the **checkbox**
4. Click the **Join** button at the bottom of the screen

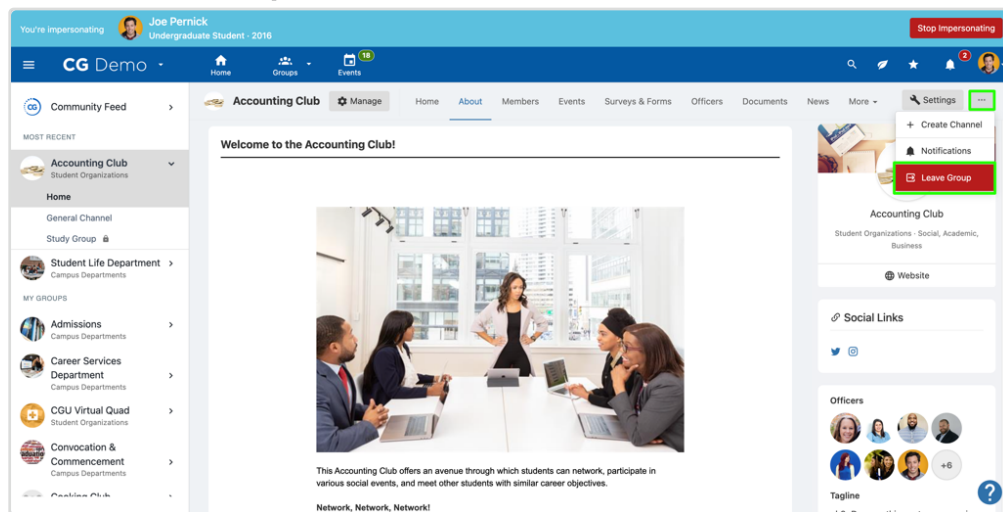

5. You will also see a **Join Group** button located on each group's page if they are currently accepting members

- ⚠ Depending on the group settings, you may be automatically added to the group. However, some groups [require validation](#), meaning that an officer needs approve of your membership.

Want to leave a group? No problem! Follow these steps to remove yourself as a member of a group:

1. Navigate to the group page of the group you would like to leave
2. Click on the **More** icon
3. Select **Leave Group**

That being said, before you leave your group, if you are just looking to limit the your notifications from that group, you can edit them in your [Notification Settings](#).

Please contact support@campusgroups.com with any questions.
